

CMC - GLOBAL

IMCHK Corporate Membership

The Consulting Industry in Hong Kong is one of the most professional in the world and ranks with the world's best in certain consulting areas.

The Institute of Management Consultants Hong Kong, IMCHK, is the professional body that sets and maintains high standards of quality, independence, objectivity, and integrity for Certified Management Consultants (CMC). The Institute pursues its goals through negotiations with the Government, major consulting firms and clients principally in Hong Kong but also in Greater China on standards, methods of consultant selection, methodologies and best practices, training and development, resolution of disagreement, and discipline and ethics.

Demonstrate Commitment to Client, become a Corporate Member of IMCHK

Corporate Membership allows companies to gain exposure to leaders, access to standards of management consultancy and demonstrate company advantages of service to the industries. IMCHK offers corporate membership for member's companies that want to signify their service commitment and ethical practice to industries.

IMCHK Corporate Membership allows companies of corporate members to access IMCHK management consulting resources and knowledge, helps companies share and expand network with other corporate members to uplift their competitive edge in the industries.

The program provides IMCHK Corporate Members with opportunity to demonstrate themselves to the communities and industries that they committed to provide quality, professional and conscientious services to their client as well as strengthen their business competition and development in industries.
